Ogishida

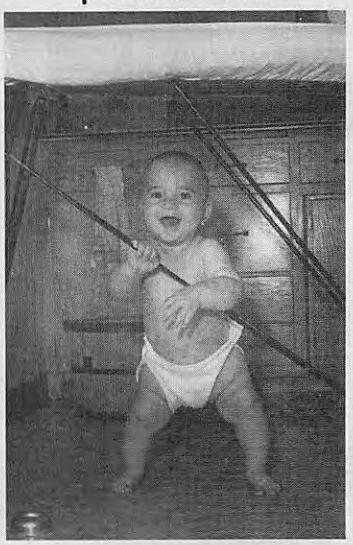
2005

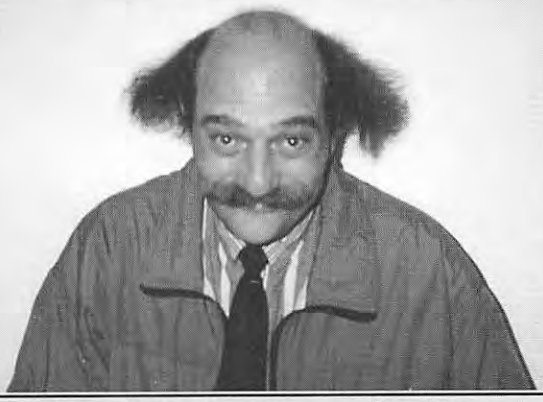
This yearbook is dedicated to the memory of Mike Howard.

1951-2004

Mr. Howard proudly displays his dream fish.

Mr. Howard was just a baby in the picture below.





Mr. Howard was a fun loving person as you can tell from his picture on the left.

Above is a picture of Mr. Howard and his wife Kathy at his birthday.

The Fond du Lac Ojibwe School is honored to dedicate the 2004-2005 Ojibwe School yearbook in memory of Michael Howard. Mr. Howard was a good teacher and was an overall wonderful person at the Ojibwe School. He was more than a staff member, he was a friend to everyone he came to know.

Mr. Howard helped and motivated the students to the best of his ability to ensure success in their futures. His friendly smile always brightened the day of everyone he encountered. Mr. Howard was a good man and would have been proud to have the yearbook dedicated to him.
